Regarding: repair of the facade ends of the high-rise-low-rise corner

Dear Members,

We have received the following message from the company SleVerBouw:

Start message:

As requested in the order voucher 2024-7321-067, I can inform you via this email that the facade work will be carried out in week 43.

The scaffolding will be erected in the week/period beforehand (exact date to be announced).

End of message.

The restoration will be complete on both facades from ground floor to top

be carried out:

- cleaning and impregnating gable ends including required materials;
- loose joints and/or stones will be replaced, repaired or restored as much as possible to the original.

The facades must be free, made accessible by the homeowners' association or the residents of plants, shrubs, etc. for the scaffolders. The walls of the balconies must also be freely accessible to allow repairs where necessary.

If you have any questions regarding the above, please contact the board at: info@vvebelvederebos.nl.

Yours sincerely,

On behalf of VvE Belvédèrebos 1 to 246 in Zoetermeer
